In cases where we need to process personal data for the performance of the contract with you or as required by law, and you refuse to provide your information, we may not be able to perform the contract with you, and consequently, we may not be able to provide certain services to you.

## **7. Communications**

We may contact you with newsletters and other marketing information that may interest you. You may opt out of receiving any or all of these marketing communications from us by following the unsubscribe link or instructions provided in any email we send or by contacting us. Please note that we may still send you transactional or administrative messages related to the Service even after you have opted out of receiving marketing communications.

## **8. Information sharing with third parties**

We will only share your information with the third parties listed below for the purposes described above in the “Information Use” Section unless otherwise noted at the point of collection:

- Trusted third-party agents, partners, suppliers, and service providers who assist us in providing the Services to you are only permitted to use your information according to the purposes specified in their agreement with us. These third parties include website hosts, data hosts, cloud software providers, IT providers, identification verification providers, customer support providers, payment processors, financial institutions, financial advisors, legal advisors, auditors, and insurance companies. These partners are required under law and contract to keep your Personal Information confidential
- Government or public agencies, law enforcement authorities, regulators, or any other entity having appropriate legal authority for receipt of your Personal Information, if required or permitted by law or legal process or if we believe that such action is necessary to comply with the law, to protect the security or integrity of our business, our Site and/or Services and to protect the safety of the users of our Services or the public
- We may disclose your Personal Information to a third party who acquires any part of our business, whether such acquisition is by way of merger, consolidation, divestiture, spin-off, or purchase of all or a substantial portion of our assets

- We may share de-identified Personal Information with academic institutions to perform research, under controls that are designed to protect your privacy—including requiring such institutions to operate under confidentiality agreements and mandating that published findings contain only de-identified and aggregated data
- From time to time, we may share reports with the public that contain anonymized, aggregate, de-identified information and statistics, and
- We may share Personal Information with our current and future Layerz Tec Ltd affiliates. Our affiliates may use your Personal Information in a manner consistent with this Privacy Policy
- When you provide your consent to us to share your information

## **9. Retention of your personal information**

We will retain your data only for as long as necessary to fulfil the purposes for which it was collected, consistent with applicable law. This retention period allows us to comply with our legal obligations, resolve disputes, enforce our agreements, and study customer data as part of our research. We will not retain your data for longer than is necessary to fulfil the purpose for which it is being processed.

To determine the appropriate retention period, we consider the amount, nature, and sensitivity of the personal data, as well as the purposes for which we process it. We also assess whether we can achieve those purposes through other means.

## 10. Security

The security of your Personal Information is important to us. We implement suitable measures to safeguard the information you entrust to us, preventing its loss, misuse, unauthorized access or disclosure, alteration, and destruction, addressing threats from both external and internal sources. Furthermore, we restrict access to your data to individuals such as employees, agents, contractors, and other third parties, but only those who require such access for legitimate business purposes. These authorized individuals will process your data solely based on our explicit instructions and are bound by a confidentiality obligation.

If you have selected a password or other login credentials that grant access to the Layerz Tec Ltd. platform, it is your responsibility to take all reasonable measures to maintain the confidentiality of this information. You should not share your password or login credentials with any other individual.

Please be aware that no method of transmission over the Internet or method of electronic storage is 100% secure, and we cannot guarantee the absolute security of the Personal Information we have collected from you. Therefore, you are also a key stakeholder in ensuring that your Personal Information is protected. If you become aware of any breach of security or privacy, please contact us immediately at [dpo@layerztec.com](mailto:dpo@layerztec.com).

## 11. International transfer

Information collected while you use the Site and/or Service, including your Personal Information, may be transferred to — and maintained on — computers located outside of your state, province, country, or other governmental jurisdiction where the data protection laws may differ from those of your jurisdiction.

If you are located outside the **[British Virgin Islands]** and choose to provide information to us, please note that we will transfer the information, including your Personal Information, to the **[British Virgin Islands]** and process it there.

To provide adequate protection for the data transfer, we have in place contractual arrangements with our subsidiaries, affiliates and business partners regarding such transfers. By utilizing our Sites and/or services, you authorize the international transfer of your data to the **[British Virgin Islands]**, where we are based, and to other locations where we and/or our service providers operate.

## 12. Link to other sites

Our Site may contain links to other sites that are not operated by us. If you click on a third-party link, you will be directed to that third-party's site. We strongly advise you to review the Privacy Policy of every site you visit. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

## 13. Children's Privacy

We do not knowingly collect Personal Information from children under the age of 18. Our Site and Services are not addressed to minors. If you are a parent or guardian and you learn that your children have provided us with Personal Information, please contact us. If we become aware that we have collected Personal Information from a child under the age of 18 without verifiable parental consent, we will take steps to remove that information from our servers.

# 14. Your rights

Under applicable privacy regulation, you may have some or all of the following rights in respect of your Personal Information:

- to obtain a copy of your Personal Information together with information about how your Personal Information is processed;
- to rectify inaccurate Personal Information;
- to erase your Personal Information in limited circumstances where it is no longer necessary concerning the purposes for which it was collected or processed;
- to restrict the processing of your Personal Information
- to object to the processing of your Personal Information where we're relying on a legitimate interest;
- to object to decisions that are based solely on automated processing or profiling;
- to obtain a portable copy of your Personal Information, or to have a copy transferred to a third party controller; or
- to withdraw your consent, at any time, where you may have provided it for the collection, processing and transfer of your Personal Information for a specific purpose;

In addition to the above, you have the right to complain to a supervisory authority for data protection.

To exercise these rights, you may contact us either by emailing [dpo@layerztec.com](mailto:dpo@layerztec.com).

We may ask you for additional data to confirm your identity and for security purposes before disclosing the information requested to you. If you would like to submit a request on behalf of another individual, you may provide proof of authorization by the individual to submit such a request on their behalf. We reserve the right to charge a fee where permitted by law.

We may also decline to process requests that jeopardize the privacy of others, are excessive, or would cause us to take any action that is not permissible under applicable laws.

Additionally, as permitted by applicable laws, we may need to retain certain Personal Information for a limited period for record-keeping, accounting, and fraud prevention purposes. Please note also that you may be able to exercise some of these rights without our intervention. For example, if you are a registered service user, you can access and update your data.

## **15. Changes to this privacy policy**

This Privacy Policy is effective as of the "LAST REVISED" date specified at the top of this Privacy Policy and will remain in effect except concerning any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time, and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgement of the modifications and your consent to abide by and be bound by the modified Privacy Policy.

## **16. Questions or concerns regarding the privacy policy**

If you have questions or concerns regarding privacy using our Service, please contact us at: **[dpo@layerztec.com](mailto:dpo@layerztec.com)**.
